SECURITY SIDE

Security & Safety Services Ltd

SECURITY SIDE TIMELINE

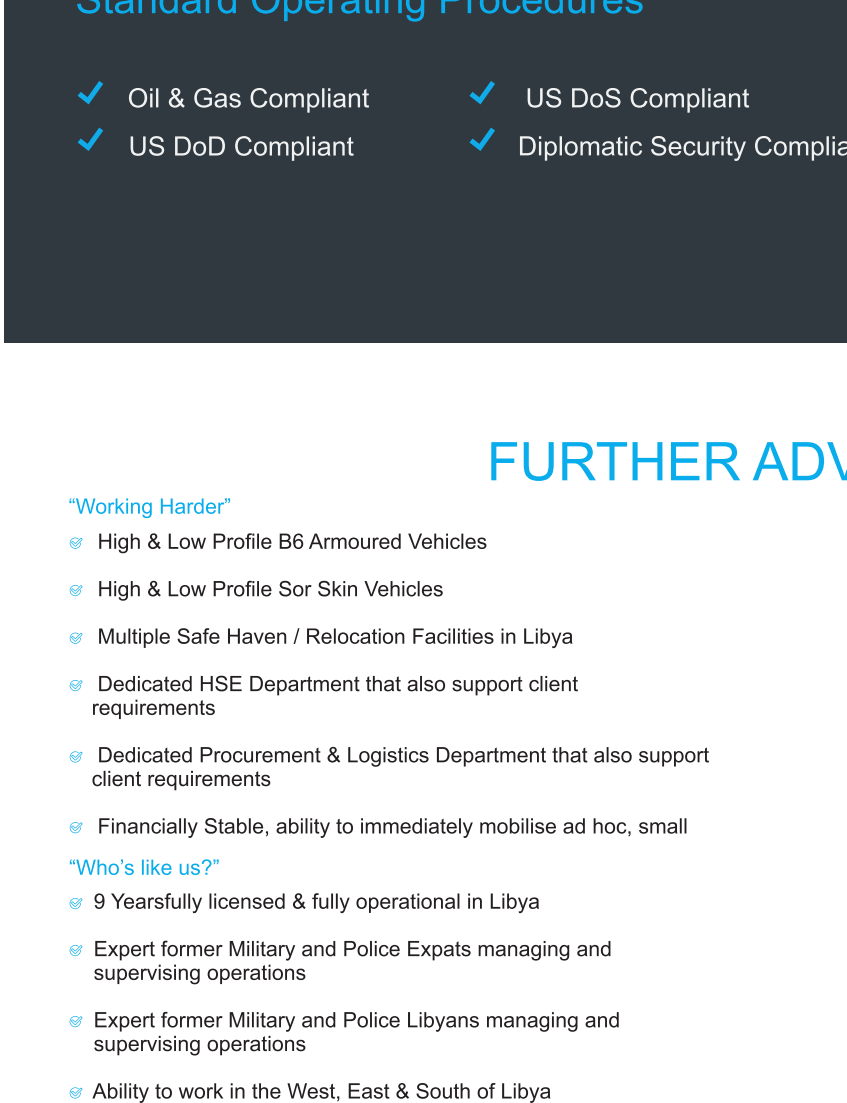

SECURITY SIDE

Security & Safety Services Ltd

SECURITY SERVICES

DEDICATED 24/7 OPERATIONSROOM(S)

24/7 Command, Control and Communications for clients throughout Libya with the ability to notify of changes of the situation immediately. With our main operations room on a dedicated full floor in Tripoli Towers, secondary mirrored operations room in Janzour and multiple project satellite operations rooms throughout the country providing each other with mutual support. Our main Operations Room in Tripoli Towers has primary internet using fiber optic with a secondary backup internet over sat.

Professional approach for client operating in a complex environment like Libya. Our operations room staff are highly trained and dedicated to ensuring client safety. We utilise British, Australian, South African and Libyan professionals.
